Frog Lake's Class of 2014 celebrates grad on first day of summer

SAM MACDONALD
Review Contributor

Graduates, teachers, friends, and families came together on a cool, wet first day of summer to celebrate at the 2014 Chief Napewew Comprehensive School Grade 12 graduation ceremony.

The ceremony took place at the Frog Lake Arena, and featured dinner, gifts for the graduates, and an assortment of speeches from people from around the community and school.

"We come together with pride in our hearts. Grade

12s, you are closing a door, and another one is opening. It's time to step out, and step on. Parents, your unconditional love shows today, it shows every day as you encourage your young ones to be the best they can be. It's another achievement that we are proud of and part of today," said Principal Dale Steinhauer in a speech to the graduates, parents, and teachers.

Steinhauer noted once being the Grade 6 teacher for many of the graduates, remarking on how much they matured and how proud that made her.

She added, "Teachers...you were the chosen ones to focus on those trust relationships that focus on students

first. To all senior high teachers who pushed the students to their limits, we thank you and we know you did this because you cared."

During dinner, a slide show depicting the graduates over the years was shown, set to acoustic guitar music played by Alex Dion, a local musician and relative of a number of the graduates.

Vice Principal Colleen Chell spoke to graduates, saying they were more than the sum of their knowledge, and the end of their high school education.

Elk Point all set for Canada Day

VICKI BROOKER
Staff Writer

Canada Day 2014 in Elk Point is shaping up to be a huge success, with new entertainment, a new pancake breakfast venue, a brand-new and exciting event and the most food vendors ever to keep crowds happy throughout the fun-filled day.

This year's Canada Day pancake breakfast will be hosted by the Friends of Elk Point Library, and will be held outside the library between 8 a.m. and 10:30 a.m., with programs of the day's activities and Canada flags to wave as the parade goes by available at this site.

Elk Point RCMP is once again hosting an open house at the Detachment on Canada Day between 8 a.m. and 10:30 a.m. and will be joined by the Greater Lakeland Rural Crime Watch who will be distributing information at that location.

Local country vocalist Olivia Rose will be entertaining at the former Coldwell Banker location on 50 Ave. between 50 and 51 St. between the breakfast and parade, with Coldwell Banker serving ice cream cones at that time.

The Canada Day Parade will begin to line up on Railway Ave. at 10 a.m., with judging by a committee from Elk Point Community Lions slated to begin

at 10:30. The decorated bicycles category lines up in front of the Visitor Information EcoCentre, starting at 10:35 a.m. and each participant will receive a ribbon and a free ice cream voucher.

The parade will begin at 11 a.m., and will follow the same route as previous years, heading north up Main Street to the lane north of 51 Ave. (with the bicycle parade traveling on 51 Ave and 51 St.) and turning west to follow 52 Ave. to 54 St., then south to 50 Ave., east past Heritage Lodge and Elk Point Healthcare Centre, south one block on 53 St., east on 49 Ave. to 51 St. and south to Railway Ave.

A fly-past by aircraft from CFB Cold Lake was still "pending" as of press time, but could be zooming overhead at some point during the parade.

Food service at a number of locations starts right after the parade, with the Ukrainian Orthodox Church serving a pyrohy dinner at the Seniors' Recreation Centre until 2 p.m., the Elk Point Co-op serving lunch along Main Street, and several vendors near the A. G. Ross Arena as well as the Travel Club, who will not only serve lunch in the arena lobby all afternoon, but will also follow up with a spaghetti supper from 4:30 to 7 p.m.

Valedictorian Kyesha Stanley told fellow grads, "We are the leaders of tomorrow."

Frog Lake grad

(Continued from Front Page)

Chell said, "You are the sum of your imagination. If you're thinking of going to university or college, or to go get a trade, do it, go get it. Any one of you can be what you set your mind to. Today is the first step of many journeys to come...Each and every one of you has hidden gifts, don't stop believing."

During the ceremony, toasts were offered to the graduates, parents, school staff, and elders to celebrate the collaborative success a community working together to sup-

port its students brought about.

Valedictorian Kyesha Stanley gave a speech to the audience and her fellow grads saying, "We've reached a turning point, and matured together. Before we take the final step, we want to say thanks to our parents, and teachers for pushing us to succeed - you helped us mature."

"When we were five, you asked us what we wanted to be, our answers were things like the prime minister, a princess, when we were 10 you asked us again and we answered with rock star or cowboy. Now that we're older you want a serious answer, and I'll go with this, who

knows? Fellow grads, we are the leaders of tomorrow...Congratulations, goodbye, and I wish you all an exciting life."

After the speeches, graduates were given individual accolades, and were awarded with gifts, scholarships, and their diplomas onstage to the sound of applause.

The members of the 2014 graduating class are Lane Berland, Shania Berland, Chenai Bull, Dylan Cardinal, Jodi Dufresne, Logan Dufresne, Dayton Mercredi, Jacinda Oxebin, Monnica Quinney, Tessa Quinney, Tyrel Scanie, Kyesha Stanley, Louis Stanley, Roberta Stanley, and Cecily Swampy.

Water opening ceremony today

ELK POINT / ST. PAUL REGIONAL WATER COMMISSION

The Elk Point / St. Paul Regional Water Services Commission and the Alberta Government are working together to ensure a new, safe and secure water supply is available to sustain the existing population and to enable continued economic viability and growth in the Elk Point/St. Paul area.

The Elk Point/St. Paul Regional Water Commission is hosting an Opening Ceremony on June 24 at the Elk Point town office to celebrate the completion of the construction of the upgrade of the Elk Point/St. Paul Water Transmission Line. Chairman Parrish Tung and directors of the commission will be present for the opening.

The transmission line is 23 kilometers in length and was constructed at an approximate cost of \$8.3 million by Westpro Infrastructure of Calgary with engineering by ISL Engineering. The source of water is the St. Paul water treatment plant.

Generators stolen

CST. DOKTOR
Elk Point RCMP

The Elk Point RCMP are seeking the public's assistance in identifying suspect(s) in a recent theft

Overnight on Monday June 16, campers parked at the RC Flying Club campground, south of Elk Point, were entered. Two power generators were taken. The culprit(s) parked their vehicle at the gate and walked in, then dragged the generators back to their vehicle.

Anyone with information about this or any crime is asked to contact the Elk Point RCMP or Crime Stoppers. Crime Stoppers does not subscribe to caller ID or call display. All calls and web tips are anonymous and you can receive a reward. If you have any information about any crime, call 1-800-222-8477(TIPS) or submit your tip safely and securely online through www.crimestoppers.ab.ca

Canada Day

Continued from Page 1

The outdoor stage show will begin at 1 p.m. with the flag raising ceremony, followed by a thrilling performance from Zane Wade and the Frog Lake Dancers, and will continue throughout the afternoon with music from Darryl Fraess and his Cross Country Band, Olivia Rose and Brianne Greening and performances by the Elk Point Filipino Dancers and Elk Point Ukrainian Dance Club.

Children's activities will get underway in the outdoor skating rink shortly after 1 p.m. and will include face painting, bounce castles, a large youth obstacle and fun at the nearby splash park to keep the youngsters busy right up to 5 p.m.

Elk Point OORP will celebrate Canada with a giant birthday cake, start-

ing about 2 p.m.

The new event in the lineup is called Elk Point Survivor, and is an obstacle-course-style event located south of the tennis courts behind A. G. Ross Arena and beginning at 4:30 p.m. The event is aimed at two-person, parent-child teams, with a suggested minimum age of eight. Organizers Teresa Boratyniec and Tessa Pankiw will be taking registrations at the pancake breakfast, and you can also register in advance by calling Teresa at (780) 724-4951.

Organizer Dee Pankiw reports that entries for Canada Day Idol were still coming in just before last week's deadline and she was still hoping for a total of 20 contestants for this very popular event, which begins at 7:30 p.m. at the Elk Point Arts and Leisure Centre.

The long day of excitement will end at 11 p.m. with the fireworks display north of the arena.

Capsule Comments

by Your Natural Choice Apple Drugs pharmacist, Seyi Oyebo

- Flossing your teeth is an important part of good oral hygiene. If you haven't flossed in the past 24 hours, chances are you are putting your dental health at unnecessary risk. Here's a good suggestion. Keep a package of floss next to your TV-watching chair. Then you can watch and floss at the same time.
- Poor-fitting shoes can play havoc with your feet. Bunions are caused by shoes that are too tight. Women suffer the majority of foot problems that also include hammer-toes and neuromas (thickened, painful nerves in the forefoot making walking difficult). The solution? Wider shoes. Not as fashionable but your feet will thank you.
- In summer, the sun's rays are stronger and certain medications can interact with sunlight to cause rashes. When we fill a prescription for you, we check the other drugs you are taking and if any of them may cause this sun/drug interaction we'll let you know.
- Most women will take medications at some point during their pregnancy. Safety of the drug to the fetus is of paramount importance.
- Our pharmacists are familiar with the safety of medications in pregnancy. If you're pregnant, before you take a medication, talk about it. There are safe medications for use in pregnancy and we can help you choose.

EDITORIAL

Winning week!

It's been a week that showed that hard work and dedication pays off.

First, the Elk Point Review received word that we have received second prize for a front page submitted in the Alberta Weekly Newspapers Association's General Excellence awards, after placing third last year.

The second award was a total surprise: the presentation of a 'Special Media Award for outstanding service to our school and community' to our editor at the F. G. Miller High School awards day, accompanied by many kind words and a standing ovation from the students and staff.

The first of these was hoped for, like dessert when you eat all your dinner. The second was the whipped cream and cherry on top. Thanks, FGM, for the huge vote of confidence.

Way Back When

Cowboys, county taxes, commonsense

HERE'S THE NEWS THAT MADE THE FRONT PAGES OF THE LAKELAND REVIEW AND THE ELK POINT REVIEW FOR THE WEEK OF JUNE 24 IN...

1984

The sun shone on the Stoney Lake Stampede, where hometown cowboy Maynard Swedgan tied with Kerry Van Metre of Provost for first in the bareback bronc riding, local cowboy Darryl Wickham coming in third, while Wendy Lorenson won the junior barrel racing.

1989

Numerous former residents returned to Fishing Lake Settlement for a day-long celebration of its 50th anniversary, just days after the June 20 M  tis Referendum gave Alberta's seven M  tis settlements the right to make their own plans for the future.

1994

F. G. Miller's Kaz Lazicki (who taught from 1951-1994), Albert Boratynec (1961-1994) and Steve Krankowsky (1965-1994) were among the retiring teachers honoured by the County of St. Paul Board of Education.

1999

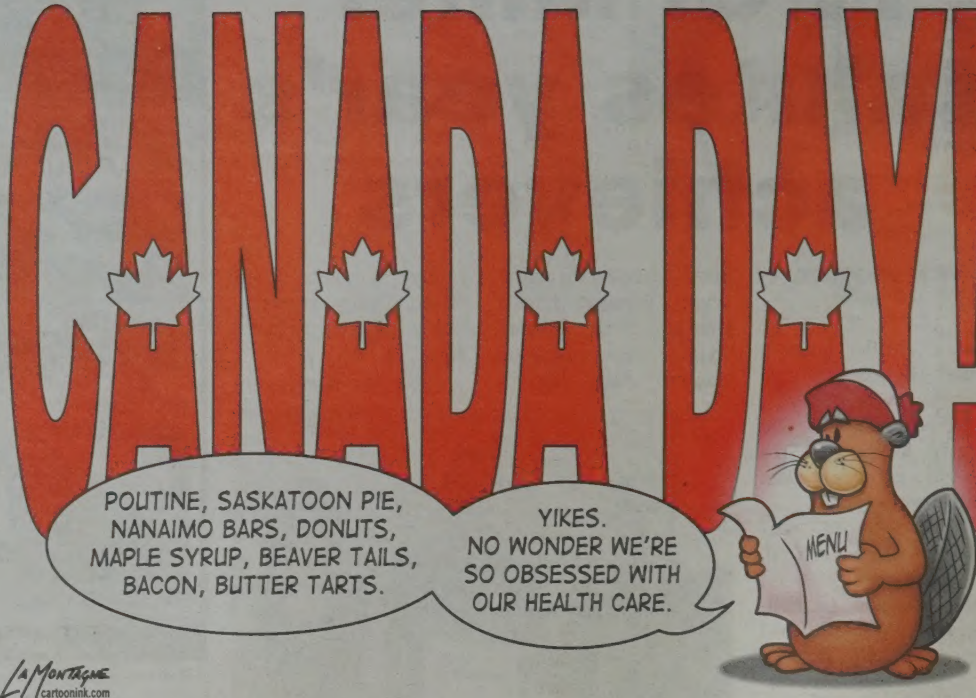

The Town of Elk Point held the line on taxation, with residential and farmland, non-residential with improvements, linear, M.D. of St. Paul Foundation and machinery and equipment mill rates all the same as 1998, apartments and four-plexes dropping almost two mills and non-residential vacant rising approximately 2.5 mills.

2004

Elk Point town council joined with the town and County of St. Paul to seek grant funding under the Sponsorship 2004 program, seeking \$57,000 for development of the Iron Horse Trail staging area and possibly an outdoor volleyball court at the recreation park. The town urged residents to use commonsense and be a good neighbour when using their backyard fire pits.

2009

Every rookie was a winner at the nine-team Lakeland Rookie Baseball League year-end tournament in Elk Point. Senior high students s Taylor Jenner, Alyx Aarbo and Brett Lindquist and junior high students Katie Maennchen and Wyatt Dewan were named F. G. Miller High School's Athletes of the Year.

Your Views

Students speak out on the environament

VICKI BROOKER
Staff Writer

Lakeland Industry and Community Association (LICA) sponsored its firth annual Earth Day Writing Contest this year, with over 130 entries coming from Grade 5 to 8 students all over the Lakeland region. All students answered the question, "If a genie granted you one wish to protect environmentally sensitive areas, what would it be?"

Andrea Woods of LICA visited Elk Point Elementary School on June12 and said she was "total-ly impressed" by the response to the contest, especially from Elk Point Elementary, which sent in 70 entries, earning the school "an award we've never given before." She presented a framed certificate to vice-Principal Leanne Vinge honouring the students' efforts, before going on to honour two EPE students, who made a significant impact with the following entries.

My Wish

DANIEL CARDINAL
Grade 5A

When I read the challenge, I realized that I would have to choose carefully. I also realized that I probably would not ever get a wish like that in my life. I would have to say

Daniel Cardinal accepts his award from Andrea Wood of LICA.

that my wish is for more protection for environmentally sensitive areas. That would mean bigger penalties for disturbing environmentally sensitive areas.

My wish would mean that no environmentally sensitive areas could be used at all, so that would mean fewer disturbances to all plants and animals living there. Even without a wish, I could still prevent development by recycling and using fewer things to reduce the need for new materials and reduce the number of garbage dumps and landfills built. I could also walk instead of driving when I'm in town to reduce the number of oil and fuel wells and drills built in environmentally sensitive areas.

With more protection, animals

in environmentally sensitive areas would get less human contact and would also be more independent. I could put garbage in the garbage and not feed the animals to help them be more independent. I could also stay away from animals when hiking to help animals avoid contact with humans.

Some plants can live to be hundreds of years old and with more protection for the places they live, more plants can live that long. One way to keep plants alive without a wish is to stay on paths so I don't step on them and kill or damage them. I can also use both sides of my paper or reuse it and recycle paper and paper products like juice boxes so less trees would have to be cut down to make paper.

One wish to protect environ-mentally sensitive areas can do a lot, but it is definitely possible to protect them without a wish. My wish would mean that no com-panies could develop in environ-mentally sensitive areas, animals would be more independent, more plants would live longer and fewer plants would be damaged, but you and I can make a big differ-ence too! Remember to recycle, stay on the paths when hiking, and walk instead of driving. These little things can make a big differ-ence, and if everyone does this, the environmentally sensitive areas around the world can be saved!

Not Enough

BY LIAM LUDLAGE
Grade 5B

My wish is to protect the earth's environmentally sensitive areas is that we can have more wishes to protect our environment.

It's the little things in the world that make a big difference - little things such as littering, chemicals in farmers' fields, oil spills, your car pumping pollutants into the air and much more. Every day

all the little things add up and make a big difference. It's not fair to the animals and plants and more. So we try to prevent these little things from happening and pick up garbage instead of littering, turn your car off if you're not driving. Those little things will make a big difference, you'll see.

If we all come together and even pick up one piece of garbage a day it will make a difference. You will see how all of a sudden the earth will make a smile. If we all worked hard for it, our earth will slowly develop and become happier and happier. It's the pollution to the ocean, it's the tree cutting, it's the poaching, it's the forest fires and littering that we have to prevent from happening.

If we could do this now, great, but if we could do this forever, even better. You probably won't live forever. That's why it's important that we pass it on from generation to generation. Every day should be Earth Day, one day won't make the difference that we want. If we all come together and make this happen the world will be a better place, just like that. Our life, our world will be great from generation to generation.

That's my wish, it's not fair to only have one. You'll see the difference, little things, come together, generation to generation, make it happen.

Have a great Canada Day everyone!

KEEPING AN EYE OUT FOR YOUR NEEDS

LAC LA BICHE-ST. PAUL-TWO HILLS

Elections Alberta is looking for active, proven event planners or managers with the skills to successfully build and lead a team in a fast-paced environment. Past management/administration of electoral processes or events is an asset. Applicants must be able to work full or part-time as needed and manage a variety of tasks and deadlines.

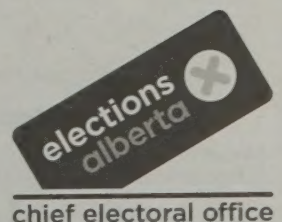

Responsibilities include:

- helping ensure that election events across Alberta are fair, accessible, and comply with election legislation
- managing the administration of election events in an electoral division prior to, during and after the event
- Returning Officers are responsible for running the Returning Office, leasing polling places, and recruiting, training, and hiring Polling Day staff. Must be qualified electors living in the above electoral division
- Election Clerks are responsible for assisting Returning Officers

Competition Closes July 14, 2014

For more details, and to start the application process, visit www.elections.ab.ca. Employment Opportunities

The Office of the Chief Electoral Officer is a non-partisan
Office of the Legislative Assembly of Alberta.

Grade 9 – Renae Cameron, Dawson Delorme, Delainee Dielsen, Busi Dzingirayi, Brodin Ference, Amy Harms, Coral Houle Dion, Sophie Kim, Kristy Krawchuk, Bowen Krider, Mallory Krider, Savannah Lawrence, Moira McFarlane, Ramsey Mudryk, Vanessa Ockerman, Dylan Odgaard, Taylor Pankiw, Austin Stafford, Eric Stuparyk, Levi Tingey, Ethan Tremblay, Hayley Vinge, Zack Warner, Skylar Wowk, Dmitri Wozniak, Cheyenne Wruth.

Grade 10 – Taylor Castle, Carson Ference, Leanna Gibson, Hannah Ludlage, Madison Macdonald, Blair Roth, Rosie Sam, Spence

Young.

Grade 11 – Alexis Bristow, Jordan Bugera, Cormac Crawford, Sydney D'Aoust, Tristan Delorme, Jessy Frisby, Brandon Garrett, Brooke Gormley, Kaitlynn Hunter, Kassandra Moores, Jalyne Mountain, Warren Plunkie, Kelly Sam, Kevin Tuliao, Faith Ziomek.

Grade 12 – Russel Ference, Dayle Oster, Lisa Vallee.

The school staff selected a number of students as being good citizens, based on their positive attitude in the classroom, school and community, and are positive citizens in the school, with leadership qualities. These awards went to: Kira Brunner, Dawson Delorme, Brooke Krider, Madison Krider, Sydney Letwin, Megan Philips, Darby Swedgan, Sam Urquhart,

Jade Fialkowski, Madeline Ludlage, Tyler Ockerman, Kelsey Phillips and Cheyenne Lawrence. Cheyenne also received the Steve Kuziw Memorial Award and the Premier's Citizenship Award.

The final set of awards went to students who achieved academic honours this year, with an 80 per cent plus average in their core subjects.

Grade 7 – Parker Allen, Abby Baker, Alyssa Duncan, Kaiden Evans-Anderson, Brooke Krider, Corbin Ockerman, Emma Poulin, Andrew Richer, Graham Stuparyk, Sam Urquhart, Carson Vogel, Kingslon Zhang.

Grade 8 – Morgan Baker, Kira Brunner, DJ Drobot, Brayden Fairbairn, Warren Ference, Dana Gibson, Spencer Hardcastle, Megan Phillips, Jaden Plaska, Nolan Vogel.

Grade 9 – Alex Bernhardt-Sasseville, Christopher Boratynec, Busi Dzingirayi, Amy Harms, Sophie Kim, Ramsey Mudryk, Vanessa Ockerman, Kelly Raymond, Siobhan Richer, Eric Stuparyk, Hayley Vinge, Skylar Wowk.

Grade 10 – Shelby Berg, Ashley Bristow, Leanna Gibson, Jagger Harrison, Hannah Ludlage, Rosie Sam, Jesse Theriault, Spencer Young.

Grade 11 – Iris Baguinon, Brittney Ference, Jade Fialkowski, Brandon Garrett, Kelsey Phillips, Tamelle Pilisko, Kelly Sam, Ryleigh Trotchie, Carson Tung, Brycen White.

Grade 12 – Cale Henderson, Meagan Kinaschuk, Madeline Ludlage, Russel Ference, Dayle Oster and Jarred Loughran. Russel is also receiving the Barrie Wayne McFadyen Trade Scholarship, Dayle is receiving the Barrie Wayne McFadyen Memorial Scholarship, the Elmer Bjornstad Scholarship and the Dr. K. C. Miller Athletic/Academic Award, and Jarred, who will be this year's valedictorian, received the Governor General's Academic Medal, the Pharma Choice Math and Science Award, the Lawrence Modin Memorial Scholarship and is FGM's Schulich Leader nominee.

Elk Point Review editor Vicki Brooker was then called forward to accept recognition for many years of "showcasing F. G. Miller School in our local paper," with a certificate and a heartwarming round of applause.

The local RCMP Detachment was also recognized with the presentation of a gift basket during the ceremonies.

The afternoon's final event was to honour retiring teacher Debbie Poulin with a slide show, reminiscences and gifts as she leaves FGM after 31 years at the school.

Registering to be an organ donor has never been easier.

Albertans can now register online to become an organ or tissue donor.

One donation can save up to eight lives and improve the lives of 75 others.

To support the many Albertans who wish to become donors, we've created a new online Alberta Organ and Tissue Donation Registry.

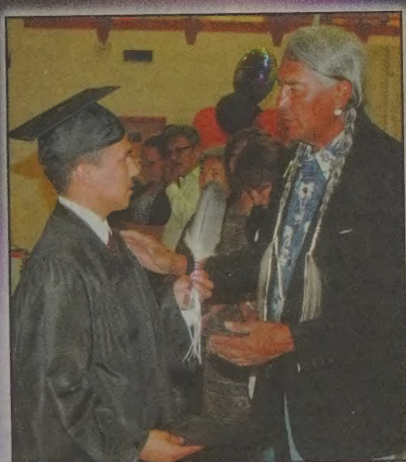

Register your intent to donate by visiting
myhealth.alberta.ca

Proud to be part of Ashmont's history

Submitted By Brandon Arnett, valedictorian

Being named valedictorian for Ashmont Secondary is a huge honour. I couldn't imagine graduating at any other school besides the one we are gathered in today. The amount of history that has happened in this gym alone is unbelievable.

And I am so proud to be part of it. But, I couldn't have accomplished this feat without the support of my parents, family, friends, and teachers. So on behalf of the grad class of 2014, we would like to thank all of you for your guidance and wisdom that helped us become the successful graduates we are today.

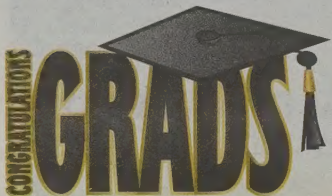

This grad class sitting in front of you today has paid their dues and strained their minds for 13 years. We have sat in desks that were more than uncomfortable and written more tests than we care to even count.

To many of the parents, it seems like it was only yesterday that we were wearing diapers, eating off the floor and learning to count. And I know many of you are thinking . . . that actually was only yesterday. No, I'm just kidding.

But it has in fact been a long road, a road that has ended when it feels like we just started. We all say we are happy to be done with school, but deep down, we all know that we are going to miss this place.

We are going to miss our friends, the playground, the classrooms we made so many memories in and even some of the teachers. Our journey through elementary and secondary is about to come to an end. But our journey through life is just getting started.

Ladies and gentlemen, we are the grad class of 2014. Thank you.

A New Beginning

As you celebrate your graduation, many new opportunities open before you.

We wish you the very best in all your future endeavours.

We recognize the hard work and commitment you've put forth over the years, and we know the education you've received here will prepare you for success along every path.

CONGRATULATIONS AND GOOD LUCK TO ALL OUR 2014 GRADUATES!

To the graduates

Chers finissants,

Vous qui complétez 10 à 14 ans à l'école du Sommet, vous devez être très euphoriques à l'idée de partir, de voler de vos propres ailes. C'est à ce temps de l'année que je réalise que vous ne serez plus parmi nous l'an prochain et ça me rend toujours un peu nostalgique. Non seulement vous nous manquerez, mais pour plusieurs d'entre vous, vous êtes le dernier ou la dernière à terminer leur études chez nous, donc nous n'aurons plus la chance de voir aussi souvent vos parents !

Mon souhait le plus cher est que vous ayez appris de tous ces gens qui vous ont entouré pendant vos années d'apprentissage à l'école du Sommet : les enseignants, les aides-élèves, les secrétaires, les entraîneurs, les conseillers, le personnel de soutien qui ont été près de vous pendant vos années scolaires et

vos parents qui vous ont encouragé dans vos efforts, supporté lorsque ça n'allait pas, chicané quand ça allait trop bien et cajolé lorsque vous en aviez besoin.

Ensemble, nous souhaitons que les apprentissages que vous avez faits tout au long de votre passage à l'école du Sommet vous seront utiles pour vous débrouiller dans votre futur. Nous avons l'espoir que toutes les valeurs qui vous ont été transmises vous ont transformés en jeunes adultes tolérants, empathiques, altruistes et fiers de qui vous êtes, fiers de vos origines francophones. N'ayez pas peur d'être un reflet de toutes ces valeurs afin d'éclairer et inspirer ceux qui croiseront votre chemin. Soyez votre propre étoile et faites briller votre propre lumière.

Félicitations!

Only a few battle wounds

Submitted by Bailey Pelech, valedictorian

Today is the day we have all been waiting for. The many hours of homework, studying, and test taking have finally paid off. God knows those hours were long and those tests stressful, but due to the learning environment we were exposed to I think it's safe to say that we all came out on top.

Going through my last few years of high school didn't sting as bad I had imagined, actually. I can say I am a much more confident, independent, and dedicated student, and I walk into my next six years of university with peace of mind.

This is due to what the amazing staff at St. Paul Alternate Education Centre has done for me and every other student sitting up here today.

I don't know if any of us know just how lucky we are to have been students at SPAEC. From the moment you walk in the door until the time you leave, you are guided, encouraged, and respected by each and every staff member.

No matter what subject I was taking or who my teacher was, help was always there when I needed it, and after a few short months I was noticing myself growing as a student and becoming more and more confident with this whole "learning" thing.

I do not know where to begin when it comes to giving thanks to the staff at SPAEC; you have all shaped me into the student that I am today, so from the bottom of my heart, thank you!

Another thank you that goes without saying is to our parents. We literally wouldn't be here today if it weren't for you guys. We love you to the moon and back. It is easy to see that each and every one of us has been affected in the best possible way by this school and it is easy to see that we are all proud to be the 2014 graduating class of SPAEC.

So here's to the kids sitting up here today - congratulations to all of us and the graduates over at the Elk Point Outreach school for making it through high school with only a few battle wounds.

Janice Huser photo

A time to reflect

GLEN BRODZIAK
St. Paul Education Regional Division
Superintendent

With graduation 2014 upon us, it's a time when both parents and schools send out hundreds of young adults to make their own mark on the world. What an exciting time!

Graduands, please pause, take a moment and enjoy the luxury of looking back on the distance covered. Please reminisce about your school life over the past twelve years. Reflect back to conversations, particular moments, and all

that time spent in classrooms and school hallways.

Collectively, they have all contributed and help shape the person you are today. Jean Picard describes time as, "a companion that goes with us on a journey and reminds us to cherish each moment because it will never come again."

Your school life will always be a part of you, and my hope is you all have many special memories to carry forward.

Now, as your journey continues, it's time to make new memories. My wish is for all you grads to find meaning in your life and work. Be committed to excellence, but temper this drive always with kindness and compassion.

I challenge you to laugh every day and pursue worthwhile experiences. Seek out people and those relationships that will help you be the person you know you should be. Picard also said, "What we leave behind is not as important as how we have lived."

On behalf of myself, the board of trustees, and all St. Paul Education, I want to congratulate all our grads. May each of you be blessed with health and happiness.

KIH EW ASINIY EDUCATION CENTRE

Graduating with pride and honour

BY STUDENT MARCUS BRANT CARDINAL

Tansi, Marcus Brant Cardinal Nitsikason ekwa asiniy awasis nehiyaw nitsikason. Na na skomin kakiyaw ota wasa-ka piyek.

On behalf of all my graduating friends and teachers, I've chosen to say this speech with pride and honour. Oskiya Outreach has had another successful year with a group of educated minds

that will make a bright future for our people and all aboriginal people across Canada.

I want to congratulate and say thanks for my teachers and helpers, Gloria McGilvery and

Penny McGilvery, who fed us knowledge throughout the year.

Gloria has been generous and very helpful, and has motivated me to get through the year strong and thankful. Penny also being helpful and strict, and has gotten me and my fellow grads in the right mind to work. I can say we all did our part and helped each other when needed.

My favourite parts of the year were when I played basketball with the boys, and when the ladies cooked breakfast, even though me and the boys showed we can cook a mean breakfast too. Tapwe...

Much respect and positivity passed around me with the other students, and has brought me to know them well, and like family.

Sam Macdonald photo

GRADUATE - Graduate Jacelyn Bull was one of the keynote speakers at the Kihew Asiniy High School graduation on June 13.

The good days we had, we put in work and friendship with each other, and those days will be in my memory for the rest of my life.

I don't think I would be here if it wasn't for my mom in B.C., Elizabeth Robinson. She taught me great things and was strict so the kid that once was, would be standing here in a man's place.

A woman's touch with much love and care has made me who I am today. Two older brothers and a dad telling me to stay in school, and witnessing my brothers graduate really helped me get myself to school and finish too.

I realize now we all have expectations for us from friends and loved ones that keep us from making mistakes we can't fix. At hard times, I was able to stick to school, focus on what I had to do, to achieve a goal like this.

Having faith was what dwelled in my conscience for what I needed to do, to be committed too. I believed, and I quote, "Faith is to believe in what we do not see, and the reward of faith is to see what we believe."

Well, here I am, an understanding graduate with positive and moving intentions. I'm glad you're all here. Now, I'm seeing what I believed in. Thanks once again to all the helpers and supporters for this day and the funding.

Hiy hiy...exsary.

'It takes courage to grow up'

JEREMY WERSTIUK

Valedictorian

I am honoured to be presenting the valedictory address on behalf of this year's Grade 12 class, the graduating class of 2014. We are all before you on this stage because of your support and encouragement throughout the years, so we would like to thank you from the bottom of our hearts for sharing in this milestone with us.

I fondly remember a group of 17 young students walking into Mrs. Pshyk's kindergarten classroom on our very first day of school. We were the last class to be in the old Kindergarten room before renovations, and many of the graduands that have attended Glendon School since kindergarten can tell you how much fun the loft was, and about the races we'd have during centres time to be the first ones up those stairs to the top of the loft. Many of us also remember when chicken pox hit in Grade 2, and Mrs. Wrobel helped cheer us up and made a game out of it, Survivor: Chicken Pox Edition. We were fortunate to have gone on many field trips like swimming, Fort Edmonton Park, The Bennett Centre, an Oilers game, and Eskimo football games. Events like these helped friendships grow, and gave us memories that will last a lifetime.

Over the years, we saw friends move away, and new friends arrive, which brings us to the 17 students you see before you. The quote of tonight's ceremonies reads "It takes courage to grow up and become who you really are." Most, if not all of us, were so scared to get on that bus or walk through the doors of

the school for the first time, leaving the comfort and protection of our parents. With the help and support of so many people, we were able to learn, mature, and become responsible individuals who are well equipped to move on to the next chapter of our lives, whether it be college, university, or the workforce. Each student here has demonstrated they have the power to succeed and overcome life's obstacles.

On behalf of the graduating class, I would like to thank the staff of Glendon School. They have devoted countless hours to see each graduand succeed and be able to be a part of this celebration. Not only did they act as educators, but as life coaches, second parents, and mentors, who helped shape us into the fine young adults we are today.

Most importantly, we would like to thank our parents and our families. Family is the strongest influence and cornerstone of an individual's life, and we are thankful for all of the time and effort you have invested into our lives to help us grow into the people we are today.

In closing, I would like to thank my classmates for the time we were able to spend together. Although we all may not have gotten along all the time, we have all had a positive impact on each other. We have created bonds and friendships that we can carry with us to the next chapter of our lives. I know that each one of you is capable of doing great things. Remember that tomorrow is not guaranteed, so live with no regrets and do not waste a single moment.

May you be successful in all your endeavours, and I pray that God's blessing and protection be upon your lives.

Messages and thanks

Submitted by Angeline Agate, valedictorian

I would just like to thank all of the staff at New Myrnam School for helping me achieve my goals and pushing me to do my best. I'd also like to thank my big sister for setting the bar high and helping me reach it, and my classmates for always picking me up when I've had a bad day. And lastly, I'd like to thank my daddy for always helping me to follow my dreams and be the best person I can be.

Submitted by Keith Gamblin, New Myrnam School principal

I would like congratulate all of the grads not only for all of their hard work this year, but on reaching this important milestone in their lives. This is a great accomplishment, and it is a result of much hard work, discipline, perseverance and dedication to reaching your potential. I want to wish all of the graduates of 2014 the best of luck in all your future endeavors!

Life is a journey

TURNER OZGAA
Valedictorian

Today is one of those big life milestones where you should sit back and enjoy . . . but not for long. There is still much more to come. Life is not a destination - it's a journey.

School and family have guided us to this point. Our 13 years have been filled with happiness, like winning the junior boys basketball SPAA banner in 2009, and moments of sadness, like the loss of fellow students.

Over the years, we have learned a lot of quality information, like what time recess is, how confusing trigonometry functions are, how we should run our government, and probably the most important lesson is don't tease a man in heels, because they might be a girl, or it can just be Mr. Harington attempting to be tall.

Educators have taught the class of 2014 life lessons, like not to leave homework to the last minute, to pick up our things, to take time for yourself, and that isn't necessarily about whether or not you get the answer, but how you got your answer . . . unless the question is multiple choice. If all else fails, laugh.

I know you might not think it now, but be honest, each of us will miss something about Vilna. Hang on to the memories as they may make you smile, especially scaring Mrs. Rasmussen.

Come June 27, there will be new challenges. Some will be easy. Others will make you grow. When we head out on our journey, I want to stress the importance of family roots and culture.

When the road gets bumpy, turn to your family. The easy path may not be the best for you. Your family will be honest, loving and able to kick you in the butt if required.

Family roots and culture have guided us to become the young men and women we are today. Never forget where you have come from. Pause to think and ask yourself what would they do.

Face the new learning moments and use what you have learned in the past 17 to 19 years. If you work hard, if you think outside the box, while staying true to yourself, you will find the path that works for you.

To try and have your choices not work is not failure, as learning occurred. Failure is not to have tried. Enjoy a joke or laugh along the way and never forget where you came from.

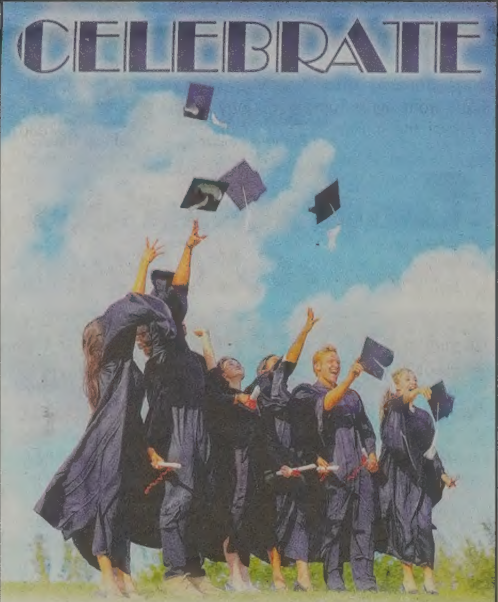

Thanks to every one of you who has helped get us to this point. The class of 2014 is forever grateful to our parents, teachers, and family. I wish my fellow students the best in whatever they pursue.

This is not a goodbye, but just "I'll see you in the future." Life is not a destination - it's a journey. This is just the beginning.

Sam Macdonald photo

- SW 8-57-7-W4 - Market Value - \$5,000.00**
0.72 ACRE - ARMISTICE HALL
- Lot 98, Block 2, Plan 7922205 - Market Value - \$25,000.00**
(PSW 14-57-10-W4) - LOWER THERIEN LAKE
- Lot 1, Plan 0022983 - Market Value \$58,000.00**
(PSE 20-62-10-W4) - 11.00 Acres
- Lot 19 Block 1 Plan 1379CL - Market Value - \$6,400.00**
(PSW 27-59-11-W4) - ASHMONT
- Lot 25 Block 1 Plan 3909TR - Market Value - \$25,500.00**
(NE 1-60-11-W4) - LOWER MANN LAKE

(Hereinafter called the "Lands")

- These properties are being offered for sale, on an "as-is, where-is" basis, and the County of St. Paul No. 19 makes no representations and gives no warranty, whatsoever, regarding the title to or condition of the Lands, including any structures, fixtures or chattels located thereon or therein. Specifically, and not so as to limit the generality of the foregoing, the County does not warrant the condition of the Lands with respect to adequacy of services, soil conditions, building and development conditions, the presence or absence of environmental contamination, or that the current or intended use complies with applicable land use by-laws.
- In no way shall the County be obligated to provide road access of any form to the above Lands.
- Each parcel is offered for sale, however, Council reserves the right to not accept bids that may be under the market value. All parcels are offered to the reservations and conditions contained in the existing certificate of title or implied by law, as well as subject to any outstanding leases which may be in effect with respect to any of the Lands.
- Deadline for receipt of all offers with respect to the Lands shall be 12:00 p.m. on JULY 11, 2014. All offers must be contained within a sealed envelope and addressed as follows:

Offer RE: (legal description of property)

Linda Meger, Taxation and Assessment Technician
County of St. Paul No. 19
5015-49 Ave., St. Paul, AB T0A 3A4

- All offers which are received after the above deadline, are incorrectly addressed, or do not comply with the terms of this invitation shall be subject to rejection.
- All offers must be unconditional, shall adopt and be subject only to the terms and conditions contained within this invitation for offers, and there must be only one individual legal description per offer.
- All those submitting offers, as well as the general public, may attend the offer opening at 10:30 a.m. July 15, 2014 at the County of St. Paul No. 19 office at 5015 - 49 Avenue, St. Paul, Alberta.
- A 10% Deposit to accompany all bids, if unsuccessful, the deposit will be returned.
- The closing date, the date given for all adjustments, and the date for full payment of purchase price for any given parcel listed in the above Lands shall be thirty (30) days after the date of sale.
- The highest offer received for any given parcel through this invitation for offers shall not necessarily be accepted as the successful bid.
- All sales of the Lands shall be subject to Goods and Services Tax which shall be payable by the successful bidder to the County of St. Paul No. 19 at the time of payment of purchase price, unless the successful bidder provides satisfactory evidence to the County (including confirmation of G.S.T. registration number) that he/she/it is properly registered for the purposes of the Goods and Services Tax pursuant to the Excise Tax Act.

Further information is available by contacting Linda Meger at (780) 645-3301 extension (212) or Carolyn Kwiatkowski at (780) 645-3301 extension (215) or visit our website at www.county.stpaul.ab.ca

COUNTY OF
ST. PAUL No. 19

HIGHLIGHTS

June 19, 2014 Council Meeting

2014 Property Tax Notices - Have been mailed and are due June 30th. If you did not receive your notice, contact Carolyn at 780-645-3301, ext 215 to ensure that we have your correct mailing address on file. **The County Office will be open during the lunch hour until July 11th to accommodate ratepayers during property tax season.**

July Council Meeting - has been rescheduled to July 15th as the regularly scheduled dates conflict with Conferences that Council will be attending.

Ashmont Fire Hall Grand Opening - Saturday June 28, 2014. Festivities begin at 10:00 a.m. with displays and participation by SRD, St. Paul EMS, St. Paul RCMP, STARS, MADD Canada and Alberta Transportation, along with a Kid's Fire Fighting Challenge. There will also be tours of the Hall and Equipment with a Ribbon Cutting and Flag Raising Ceremony at 11:00 a.m. followed by a Barbeque. Everyone is welcome.

Fundraising Opportunity for Non Profit Organizations - We are looking for two groups to hand out plates and help clean the eating area after the rodeo supper on Saturday, August 30th. Each group will receive half of the proceeds from the rodeo supper. We are also looking for one group to assist with clean up after the rodeo performances. That group will work with another group selected by the Town of St. Paul and will receive payment from the St. Paul Ag Society. The group who cleans after the rodeo performances this year will then work the rodeo supper in 2015 and receive all the proceeds from the supper. If you are interested in this fundraiser or would like more information, contact Phyllis at 780-645-3301, ext. 203.

Planning and Development - Council approved Bylaw No. 2014-07 to amend Land Use Bylaw No. 2013-50 as it relates to rezoning Lot 1, Block 1, Plan 1321865 from Agricultural to Industrial Commercial. A public hearing was held for Bylaw No. 2014-09 to rezone PNE 34-56-11-W4 from Agricultural to Country Residential one, however second and third readings were tabled because this property falls within the Lac Sante Area Structure Plan. Council gave first reading to Bylaw No. 2014-14 to amend the Lac Sante Area Structure Plan to allow PNE 34-56-11-W4 to be re-districted for Country Residential development however will not require re-zoning under the Area Structure Plan. After the amendment to the Lac Sante ASP is approved Council can approve Bylaw No. 2014-09.

Council gave first reading to Bylaw No. 2014-10 as it relates to rezoning Lot 1, Plan 8121999 from Agricultural to Country Residential One (CR1) as they are not using the total area and would like to sell north portion of the property. Council also gave first reading to Bylaw No. 2014-12 to rezone PSW 7-58-8-W4 from Agricultural to Country Residential as the owner wants to subdivide an acreage however the maximum number of subdivisions have already been subdivided out of the property. Council then gave first reading to Bylaw No. 2014-13 to rezone Lot 2A, Plan 9020404 from Agricultural to Industrial Commercial as the owner wants to set up a Fuel Distribution Cardlock Service Station which is not a permitted use under the Agricultural zoning. All applicants will now hold public consultations to hear from anyone who may be in opposition to the proposed re-zonings.

Auditing Services - Council appointed Synergy Chartered Accountants as auditors for a four year term effective 2014.

Assessment Services - Administration sent out an RFP for Assessment Services to begin September, 2014 as the head Assessor is retiring at the end of the year. Administration received six replies and the tender was awarded to Accurate Assessment Group. Administration based on the analysis criteria that Accurate Assessment will have the ability to coordinate our assessment with our GIS resulting in a more accurate assessment base and increase efficiency of staff and provide better service in-house and to our residents. The contract has been awarded for a four year term commencing September 2014 with a one year probationary period.

Water Supply to Ashmont / Lottie Lake - Council approved to spend \$20,000 on a study to analyze when an upgrade is required and the extent of those upgrades for the connection to Spedden. Administration anticipates that this study will take approximately 6 - 8 weeks to complete.

FCSS - The FCSS department hosted barbecues in Heinsburg, Ashmont and Mallaig during Senior's week. The events were well attended and the FCSS department is looking forward to holding them again next year. The FCSS Department received a grant to build Pickle Ball Courts and construction is underway at the Westcove Municipal Campground. They are also very involved in organizing the STARS fundraiser which will be held June 26 from 5-7 p.m. to honor the First Responders in our community. This is a free event with donations being sent to STARS.

Funding

- \$200 Mark Krenvsky to represent Alberta at the Canada Senior Games
- \$200 Elijah Hall to represent Alberta at Canada Strongman Competition
- \$300 Ad in Lakeland Rodeo Association Program
- \$500 Regional High School, Mallaig School & Ecole du Sommet for Provincial Track & Field Championship
- \$500 for St. Paul Special Olympics Annual Slo Pitch Tournament

**For more information contact Sheila Kitz, CAO,
County of St. Paul at 780-645-3301, ext. 208.**

Elks Foundation supports skateboard park, Elks aid camp

LAWRENCE PIDLUZNY

Elk Point BPO Elks

The Alberta Elks Foundation is an organization within the Alberta Elks Association. Its main goals are to help purchase specialized equipment for delivery rooms, nurseries, and paediatric wards of regional hospitals and health units, assistance to families who experienced a disaster by fire, flood or the loss of personal belongings, I.S.T.A.R. (Institute for Stuttering Treatment and Research), awards to various lodges for their contributions to the Foundation, and funding for continuing community projects sponsored and matched by local Lodges such as the Skateboard Park here in Elk Point. Funds are raised for the Foundation by donations from lodges and individual members of both Orders, outside fundraising by raffles, casinos etc, donations of tabs and other recyclable materials sold for cash and interest generated by investments.

The Elk Point Elks Lodge is pleasantly surprised and elated that the Foundation has allotted \$5,000 to our project. With our matching portion of \$5,000 the total amount in the Skateboard Park Fund is now \$17,000.51. Our total project cost is approximately \$125,000, so keep on working everyone!

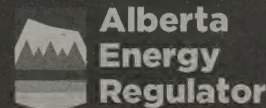

Our Elks Lodge has also donated funds to worthwhile projects this month. We have given over a cheque for \$1,000 to the volunteer board at Camp Whitney in support of their New Dormitories Project. The board has decided to replace the original cabins with two new dormitories which will have attached washrooms, better ventilation and insulation, two exits and wheelchair access to those young and old with mobility problems. We last heard that an initial \$150,000 goal has nearly been reached! Congratulations..

The Elks also donated \$250 to the Salvation Army – Lloydminster Donations Processing Center and \$500.00 to ISTAR..

NOTICE OF APPLICATION

APPLICATIONS NO. 1784285 AND 008-1581 AND FILE NO. 00346828 PENGROWTH ENERGY CORPORATION COLD LAKE OIL SANDS AREA

The Alberta Energy Regulator (AER) has received *Oil Sands Conservation Act (OSCA)* Application No. 1784285 and *Environmental Protection and Enhancement Act (EPEA)* Application No. 008-1581 and *Water Act* File No. 00346828 from Pengrowth Energy Corporation (Pengrowth) for approval of its proposed Lindbergh SAGD Expansion Project. The AER is reviewing the applications and the associated environmental impact assessment (EIA).

This notice also sets out the deadline for filing statements of concern on all three of the applications. This deadline supersedes the deadline set in a public notice of application the AER issued on January 6, 2014, for filing statements of concern on OSCA Application No. 1784285.

Description of the Project

Pengrowth has applied to construct, operate, and reclaim the Lindbergh SAGD Expansion Project. The project would increase the bitumen production capacity of an existing central processing facility from 1987 cubic metres per day (12 500 barrels per day) to 4770 cubic metres per day (30 000 barrels per day) at peak production. The project would recover bitumen from the Lloydminster Formation and Rex Formation using steam-assisted gravity drainage recovery.

The project would include the construction of associated facilities, thermal injection wells, production wells, utilities, and associated infrastructure. Including the existing well pads, about 55 well pads would be required over the life of the project. The existing central processing facility would be further developed to meet requirements for the project's expected 25-year operation. Construction would commence in 2016, with first production by 2017.

The project would be about 24 kilometres southeast of Bonnyville, Alberta, within Townships 58 and 59, Ranges 4 and 5, West of the 4th Meridian.

Pengrowth has prepared and submitted the following documents:

- Application No. 1784285, under section 13 of the OSCA to construct and operate the proposed project.
- Application No. 008-1581, under part 2, division 2 of the EPEA, for the construction, operation, and reclamation of the proposed project.
- File No. 00346828, under section 50 of the Water Act, for the construction and operation of a well pad within a water body, installing a culvert, and filling in wetlands.
- An EIA report associated with the above applications.

For a copy of the application, contact

Pengrowth Energy Corporation, 2100, 222 – 3 Avenue SW, Calgary, Alberta T2P 0B4, Attention: Kaitlin Loucks; Telephone: 403-233-0224; Fax: 403-265-6251; E-mail: Lindbergh@pengrowth.com

To view the applications, EIA, and supporting documents, contact

AER Information Management Branch, Suite 1000, 250 – 5 Street SW, Calgary, Alberta T2P 0R4; Telephone: 1-855-297-8311 (toll free; option 2); E-mail: infoservices@aer.ca; Viewing hours: 9:00 a.m. to 3:00 p.m.

Alberta Government Library, 44 Capital Boulevard, 11th Floor, 10044-108 Street, Edmonton, Alberta T5J 5E6; Telephone: 780-427-2985 (toll free: 780-310-0000)

AER Fort McMurray Regional Office, 2nd Floor, Provincial Building, Box 15, 9915 Franklin Avenue, Fort McMurray, Alberta T9H 2K4; Telephone: 780-743-7214

Requirement to File a Statement of Concern

If you are interested in this matter, you must file a statement of concern as described below. If you do not file a statement of concern, the AER will continue to process the application and may approve it without further notifying you.

How to File a Statement of Concern

For your statement of concern to be considered, it must be filed before 12:00 p.m. on **August 6, 2014**. Send one copy of your statement of concern to Pengrowth at the name and address above and one copy to Authorizations Review & Coordination Team, Alberta Energy Regulator, Suite 1000, 250 – 5 Street SW, Calgary, Alberta T2P 0R4; E-mail: ARCTeam@aer.ca

Contents of a Statement of Concern

For your submission to be considered a valid statement of concern, it must include

- why you believe that you may be directly and adversely affected by a decision of the AER on the applications;
- the nature of your objection to the applications;
- the outcome of the application that you advocate;
- the location of your land, residence, or activity in relation to the location of the energy resource activity that is the subject of the proposed application; and
- your contact information, including your name, address in Alberta, telephone number, and e-mail address or, if you do not have an e-mail address, your fax number.

Confidentiality

Section 49 of the *Alberta Energy Regulator Rules of Practice (Rules of Practice)* requires that all documents and information with the AER be placed on the public record. If you file a submission, you must not include any personal information that you do not want to appear on or are not authorized to put on the public record. Section 49(2) of the *Rules of Practice* states how to apply to the AER for an order to keep information confidential. Any request made under section 49 must be copied to the other parties to the proceeding. Section 49 of the *Rules of Practice* is available on the AER website at www.aer.ca.

Questions of Constitutional Law

In addition to giving notice according to section 12 of the *Administrative Procedures and Jurisdiction Act* and schedule 2 of the *Designation of Constitutional Decision Makers Regulation*, you must include the following information in your submission if you intend to raise a question of constitutional law:

- the constitutional question you intend to raise
- the legal argument you intend to make
- the evidence you intend to rely on in support of your legal argument

Under section 21 of the *Responsible Energy Development Act*, the AER does not have jurisdiction to assess the adequacy of Crown consultation associated with the rights of aboriginal peoples as recognized and affirmed under the *Constitution Act, 1982*.

For information on AER procedures, contact

In Situ Authorizations, Attention: Helen Huang; Telephone: 403-297-5934; Fax: 403-297-3187; E-mail: helen.huang@aer.ca

Issued at Calgary, Alberta, on June 16, 2014.

Announcements

OBITUARY

IN MEMORIAM

BERG, Dennis John

July 2, 1989

As the years pass,
One day at a time,
Missing you is always,
a big part of our life.
Our love for you will never change,
each day, each month, each year,
for you are in our hearts dear Den
That's where you'll always stay.
You'll always be with us, you never really left,
You just went on a journey
Ahead of all the rest.
You walk with us each day
You're in our dreams at night,
You never really left us
You just went out of sight.
Your laughter rings
Within our hearts,
Our eyes still see you smile,
For those who really loved you
And think of you today,
You never really left us.
You're in our hearts to stay.

Deeply missed and forever loved by your Family.

Farewell to all Folks

It has been my pleasure to live and work among you for the past eight years.

I find it hard to say goodbye to the many friends and neighbors that have come to mean so much.

Thank you so much, especially to everyone that have been so very helpful and supportive, during the past year of Bill's passing, and my long period of ill health.

So long till we meet again.

Sincerely yours
Betty Tracey

Have a safe and enjoyable long weekend

Bernadette Godlien was installed as District Deputy by Grand Exalted Ruler Jim McLeod.

DD makes history

LAWRENCE PIDLUZNY
Elk Point BPO Elks

At the Alberta Elks District 6 District Meeting, held in Hairy Hill, April 6th, Elk Point Elks Lodge #460 member Bernadette Godlien, was elected as District Deputy for a fifth year as no other members in the entire district was interested in the position. At the recent Alberta Elks and Royal Purple Conference that was held in Westlock, June 5th to the 7th, Bernadette was installed as District Deputy by Grand Exalted Ruler Bro. Jim McLeod and Provincial President Bro. Leonard Shain.

Earlier this year, Bernadette and Walter Jendruck had also joined the Order of the Royal Purple. She was also elected and installed as District Deputy for the OORP! This is the first time in the history of the Elks and the Royal Purple, that a single member of both Lodges was elected to a District Deputy position for both Orders at the same time. Congratulations Sister Bernadette and the best in your dual role!

Winning weekend for Moose Lake walleye warriors

VICKI BROOKER
Review Staff

Saturday's second place catch weighing 18.04 pounds and Sunday's 17.54 pounds added up to a new record of 35.58 pounds and the grand prize at the Elk Point and District Lions Club's 2014 Moose Lake Classic walleye derby for Greg Kubal and Curt Wright this past weekend. In addition to the \$20,000 grand prize, the pair received \$5,000 for Saturday's score and \$2,250 for Sunday's placing as well as winning the Calcutta with \$2,880, making this a very profitable weekend indeed.

The \$15,000 second prize, along with second places for both the Day 2 catch and the Calcutta went to Chris Barynowski and Jordan Rae, whose two-day total added up to 35.06 pounds, while third prize overall of \$10,000 and third in the Calcutta went to Claude Gamache and Norbert Fontaine.

A total of 110 teams of two took part in the two-day event.

Saturday's biggest walleye, weighing 5.78 pounds, earned Martin Langille and Ralph Nicholson \$1,020, while Sunday's 6.08-pound whopper was an equally lucrative catch for Adam and Jim Charchuk.

Elk Point Lion George Hahn (centre) presents the Moose Lake Walleye Classic trophy to Greg Kubal (right) and Curt Wright.

The top mixed team of the derby was Harold and Karen Brown, whose 32.70-pound catch earned them \$1,000, while Bob and William Bugera received the same mount for a somewhat smaller 32.10-pound catch as the top youth team.

Day money amounts ranged from \$1,000 for tenth place to \$7,500 for first. Saturday's winners, with weights in brackets, were: 10. David Shmyr Sr and David Shmyr Jr. (17.10 lb), 9. Brian and Kaitlyn Oestereicher (17.54), 8. Ashi and Bob Hornseth (17.60), 7. Ron Flebke and Bob Filewich (17.74), 6. Billy and Bill Fleming (17.76), 5. Chris Kindraka and Kevin Schefer (17.82), 4. Jeff Hughes and Terrance Yuschyshyn (17.90), 3. Ed Fitzsimmons and Kevin Anderson (17.94), 2. Greg Kubal and Curt Wright (18.04) and 1. Dylan and Eric Filewich.

Sunday's winners were: 10. Adam and Jim Charchuk (17.36), 9. Mark Krankowsky and Doug Robinson (17.40), 8. Andrew McQuinn and Shane Fontaine (17.40), 7. Terry Mills and Jesse Smears (17.42), 6. James McCray and Curtis Bordeleau (17.44), 5. Greg Kubal and Curt Wright (17.54), 4. Erol and Angela Johnson, 3. Dave and Danielle McKenzie (17.74), 2. Curtis Beniuk and Kevin Zatoski and 1. Chris Barynowski and Jordan Rae (18.10).

Rainy week slows down ball action

Two weeks ago our Bantam Sox took on St. Paul, losing the provincial round robin game but still making

a respectable showing for our young team with growing pains. Peewee-aged Dustyn "Dust Pan" Pankiw getting the call to the hill, chucking 68 pitches and going three innings, Nicholas "KKK" Tucker coming in on relief finishing the game. Vermilion import Denver Budzilka with two singles and an RBI, "Awesome Alex" Hunter with a double and a single and two RBIs, "Dust Pan" with a RBI single, his sister "Taylor Made" pounding a single, a RBI single for Cameron "Bear" Baird and a single for Christian "CCW" Castle-Wasson. This past weekend

doug
BASSETT

Review Sports

the Bantam Sox traveled to Fort Mac Murray to play three games. Saturday was a complete washout due to the rain, Sunday they did manage to play two of the games but the field conditions were less than ideal, causing the boys to bobble the ball, but when you travel that far the hosts try everything possible to make the conditions playable, otherwise it's a long way home when you don't play. Affiliate player from the Peewee Sox team Cody "Babe" Fairbairn helping with the numbers doing a super job The Bantam Sox will now be re-tiered for the month of July.

Very little else happened this past week for baseball, many of the youngsters were at camp and it was such a

soggy week that almost everything was washed out anyway, even the poor little mite girls who were going to host the Lakeland League finals here on Saturday in Elk Point. Our diamonds are build right on top of gravel have the reputation of drying out quickly and being able to handle lots and lots of water so you know it's wet when you can't even play here, This week is the final week for our house league teams and most of them will be playing in the Lakeland League finals on the coming weekend.

Now for the K.A. Campbell quote of the week. "Baseball was made for kids, and grown-ups only screw it up." Last week's answer to: "I became an optimist when I discovered that I wasn't going to win any more games by being anything else." – Earl Weaver.
